The Point We Emphasize In This Store Is Satisfactory Service

A Hundred Point Man

It was Elbert Hubbard who wrote to a banker friend inquiring as to the responsibility of a certain person. The answer came back thus: "He is a hundred point in everything and anything he undertakes." I was so impressed with this reply, he says: "I would rather have that said of me than to be called a great this or that."

Hundred point men are not so plentiful. A Hundred Point man is one who is true to every trust; who keeps his word; who is loyal to the firm that employs him; who is polite to strangers; who is considerate towards service; who is willing to learn; who is cautious and yet courageous.

Hundred Point men are very much in ability, but this is always true, they are safe men to deal with. Apply this to stores—this store because

Morgantown Wedding.

The Morgantown Post-Chronicle of Saturday gave the following account of a wedding of interest here:

"Miss Nell Steele, daughter of Mr. and Mrs. George C. Steele, and Dr. George Thomas Faris, son of Mr. and Mrs. S. S. Faris, of Bridgeport, were married at the home of the bride's parents on High street at 3 o'clock this afternoon the ceremony being performed by the Rev. Percy N. McDonald, rector of Trinity Episcopal church, the beautiful ring service of the Episcopal church being used. The ceremony was performed in the parlor of the Steele home beneath a green arch made of smilax and azaleas. The four ribbon bearers, Miss Katie Fitch, Miss Anna Johnson, Mrs. Boaz B. Cox and Mrs. William G. Baylis, carrying pink ribbons, formed an aisle from the stairway to the altar. The Lohengrin wedding march was played by Mrs. Clarence B. Dille. The bride was given in marriage by her father, George C. Steele, and the bridegroom was attended by his brother, Robert Faris. The matron of honor was Mrs. Benjamin Shuttleworth, of Clarksburg, a sister of the bridegroom. The bride wore a gown of white silk net with an empire train of satin and a dnet, and the bridal veil was made with a Juliet cap of real lace and orange blossoms. The bridal bouquet was a shower of roses and lilies of the valley. The bride and bridegroom left for Atlantic City where they expect to spend the next two weeks at the Traymore."

Will Be Married.

George W. Sturm, of West Milford, popular Republican candidate for the house of delegates, left Sunday morning for Chautauque, Kan., where he will be married Wednesday to Miss Jennie Shinn at the family homestead there.

Elaborate preparations are being made for the entertainment of those in attendance following the nuptial ceremony. Mr. and Mrs. Sturm will return after a brief tour of the West and will reside at West Milford. The bride-to-be is the only daughter of Mr. and Mrs. John L. Shinn, of Chautauque, Kan., well-to-do and influential residents, and is a charming and cultured lady.

one of the progressive young business men of the city.

Summer Meetings.

The members of the Two Table Bridge Club are continuing its meetings during the summer and were delightedly entertained by Mrs. Lynn S. Hornor from 3 to 5 o'clock Wednesday afternoon at the Country Club. Miss Ella Slingluff, who is in charge at the club, served tea, hot cakes, and wafers from an attractive table during the afternoon on the veranda. This will be an ideal place for members of card clubs and all afternoon social affairs to be held during the summer months.

At Seashore.

Among the Clarksburgers who are pleasantly located during June at Atlantic City, are Mrs. H. F. Criss, Mrs. William A. Vance, and Mrs. Thomas W. Pettigrew.

Electricians have already started to install a new electric lighting system for our entire store. When they have finished, the painters and decorators will begin their work. Room is at a premium. We need room more than profits for the next few weeks. Therefore, we start at once for cash.

OUR GREATEST FURNITURE SALE

While every line of furniture has advanced in price during the last few months, we are compelled at this time for the sake of room to sell at big reductions.

This \$6.00 chair now \$4.25.

This sale covers practically everything in the store. Only a few articles which have an established price are reserved. Our biggest discounts are on hot weather furniture, such as refrigerators and porch furniture. We have been unfortunate in not being able to get shipments when wanted this spring and summer. Our last car of

KALTEX FIBRE PORCH FURNITURE

has only recently arrived. It must be sold. We can not store it till hot weather comes again. Our misfortune will be your gain if you take advantage of it. The reduction on the chair shown by the cut gives a fair estimate of the discounts.

If in need of anything in the furniture line, it will be well worth your while to give us a call at once. Nearly all manufacturers will again raise prices July 1. A hint to the wise is sufficient.

Those who find it not convenient to take advantage of this cash sale may still profit by our regular unusually low prices with the special easy terms of

on small purchases. Terms for larger amounts will be arranged at the store.
